Thank you!

On behalf of Our Place Society, and Pacific Centre Family Services Association, thank you. The Coldest Night organizing team and the vulnerable members of our community benefited from your time, energy and compassion.

While it will take some time for Blue Sea Philanthropy to determine our final fundraising tally, we can confidently say that with your support, the Pandora and Westshore walks raised well over \$75,000.

Downtown - Our Place's 30 volunteers saw over 400 walkers, exceeding expectations. In the Westshore - We had over 15 volunteers help get our 225 walkers registered, warmed up and on their way. Both locations had great turn outs and so much community passion and support!

We hope you will consider volunteering and/or walking with us again next year. Please check out the Our Place website, www.ourplacesociety.com and the Pacific Centre Family Services Association website for other ways you can show your support for our community.

Questions? Please feel free to contact me at 250-940-5064, or stevens@ourplacesociety.com or Kara Ross at 250-478-8357 or kross@pcfsa.org

Thank you,
Steven Seltzer
