Community Counselling

PCFSA offers affordable community counselling options. Fees for these affordable programs are to be paid directly by clients or their families and may be covered by Extended Health Benefits or sources such as the Crime Victims Assistance Program.

Clinical Counselling

Registered therapists provide counselling to adults and couples for a broad range of issues from trauma to mental health and historical concerns.

Child & Youth Counselling

Registered therapists provide counselling to children and youth for a broad range of issues.

Short-Term Affordable Counselling

Youth, adults and couples can access clinical counselling with Masters level interns for a broad range of issues at reduced rates.
