WELCOME TO PACIFIC CENTRE FAMILY SERVICES ASSOCIATION

Where We Encourage Possibilities

Welcome! We recognize the courage it has taken to reach out to us and to ask for support; we know this is not an easy call to make.

Pacific Centre Family Services is a non-profit counselling agency.

In 2018 we celebrated 50 years of providing support to residence of the Greater Victoria area, primarily the West Shore and Sooke regions. We acknowledge the L'Kwungen speaking people, the Scia'new Nation and T'Sou-ke Nation, on whose unceded traditional territories our work and activities take place. Our programs are offered in the Westshore communities of Colwood, Langford and Sooke.
