Independent Auditors' Report

Grant Thorrnton LLP Suite 650 1675 Douglas Street Victoria, BC V8W 2G5 T +1 250 383 4191 F +1 250 381 4623 www.GrantThornton.ca

To the directors of Pacific Centre Family Services Association

Opinion

We have audited the financial statements of Pacific Centre Family Services Association ("the Society"), which comprise the statement of financial position as at March 31, 2019, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Pacific Centre Family Services Association as at March 31, 2019, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 1 in the financial statements, which indicates that the Society incurred a net deficiency of revenue over expenditures of \$812,528 during the year ended March 31, 2019 and, as of that date, the Society's current liabilities exceed its total assets by \$3,683,118. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Society's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and

using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Victoria, Canada June 24, 2019

Pacific Centre Family Services Association Statement of Cash Flows

March 31, 2019

1. Nature of operations

By encouraging healthy patterns of living, Pacific Centre Family Services Association (the "Society") enhances and promotes the quality and dignity of life of individuals and families within our diverse community. The Association is incorporated under the British Columbia Society Act and is a registered charity in accordance with the Income Tax Act of Canada.

These financial statements were prepared using Canadian Accounting Standards for Not-for-Profit Organizations ("ASNPO") that are applicable to a going concern. The going concern basis assumes that the centre will continue in operation in the foreseeable future and will be able to realize its assets and discharge its liabilities in the normal course of operations.

Many unfavourable conditions and events have cast doubt on the appropriateness of this assumption. The Society incurred a net loss of \$812,528 in the year ended March 31, 2019, the Operating Fund is in a deficit position of \$541,096, its current liabilities are \$3,683,118 higher than its current assets, and it must begin making principal repayments on the mortgage subsequent to year end. The Society's ability to continue as a going concern depends on its ability to reduce cash expenditures and its ability to obtain additional financing. The Society has taken action to reduce expenditures and is currently in negotiations to obtain additional financing budget is in place and is being monitored on an ongoing basis, with an emphasis on running programs on a break-even basis. In addition, subsequent to year end a unit in the building have been sold to reduce the balance of the mortgage.

These financial statements do not reflect the adjustments to the carrying values of assets and liabilities and the reported revenues and expenses on the statement of financial position classifications that would be necessary if the Society were unable to realize its assets and settle its liabilities as a going concern in the normal course of operations. Such adjustments could be material.

2. Summary of significant accounting policies

Basis of presentation

The Association has elected to apply the standards of Part III of the CPA Canada Handbook in accordance with Canadian accounting standards for not-for-profit organizations. The Association controls the Pacific Centre Family Services Foundation ("the Foundation") through common board members and management. As a permitted option under ASNPO, these financial statements are prepared on a non-consolidated basis.

Fund accounting

The Pacific Centre Family Services Association follows the deferral method of accounting for contributions.

The Operating Fund accounts for the organization's program delivery and administrative activities.

March 31, 2019

2. Summary of significant accounting policies (continued)

The Capital Asset Fund accounts for the capital assets employed in the operations of the Association.

The Capital Replacement Reserve accounts for internally restricted funds set aside by the Board for the required replacement of capital assets.

The Building Fund accounts for internally restricted funds set aside by the Board to accumulate resources for property acquisition. Interest earned on the investments held in the Building Fund are used in general operations.

Amortization

Rates and bases of amortization applied to write off the cost less estimated salvage value of capital assets over their estimated lives are as follows:

Building	4%, straight-line
Automotive	20%, straight-line
Furniture and equipment	20%, straight-line
Computer	20%, straight-line
Computer software	20% straight-line

Financial instruments

The Association's financial instruments consist of cash, receivables, term deposits, and payables and accrued benefits. Financial instruments are recorded at fair value on initial recognition. Investments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Association has not elected to carry any such financial instruments at fair value.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Association determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Association expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

Use of estimates

In preparing the Association's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

March 31, 2019

3. Capital assets					2019	-	2018
		<u>Cost</u>	-	Accumulated amortization	Net <u>book value</u>		Net <u>book value</u>
Land Building Furniture and equipment Computer software Automotive Computer hardware Artwork	\$ - \$	1,371,058 5,916,710 63,509 9,882 22,147 71,378 20,500 7,475,184	\$	290,394 60,502 6,833 22,147 59,903 - 439,779	\$ 1,371,058 \$ 5,626,316 3,007 3,049 - 11,475 20,500 7,035,405	\$ \$	1,371,058 6,215,404 17,973 4,555 - 10,189 20,500 7,639,679

4. Bank indebtedness

The Association has an operating line of credit with Island Savings Credit Union, authorized to a maximum of \$400,000. As of March 31, 2019, the amount drawn on the line of credit was \$336,345 (2018: \$228,170). This line of credit bears interest at bank prime and is secured by a first floating charge over the accounts, investments, and capital assets of the association.

5. Payables	 2019	 2018
Payables and accruals Government remittances	\$ 52,998 (3,241)	\$ 62,639 27,581
	\$ 49,757	\$ 90,220

6. Deferred revenue

The amounts reported as deferred revenues represent those amounts that the Association has collected that do not relate to operations conducted during the current fiscal year.

	 2019	 2018
Balance beginning of the year	\$ 73,089	\$ 206,402
Amounts received Recognifition of deferred amounts	 668,574 (619,055)	 449,449 (582,762)
Balance, end of year	\$ 122,608	\$ 73,089

March 31, 2019

7. Mortgage

During the year the Association obtained a variable rate business mortgage from Vancouver City Savings Credit Union at prime plus 0.9% interest. At March 31, 2019 the balance owing on the mortgage is \$3,607,601 (2018: \$5,470,918). As a condition of financing the Society must make a lump sum payment to reduce the amount of the principal to \$2,650,000.

8. Externally restricted

During November 2008, Pacific Centre Family Services Association participated in the delivery of the Child Sexual Abuse Symposium. The Association holds the net assets from the Child Sexual Abuse Symposium in trust, for use toward future symposiums at the discretion of the Association and the Victoria Child Abuse Prevention and Counselling Centre (formerly Mary Manning Centre). No contributions were used towards symposiums in the year (2018: Nil). As at March 31, 2019, the net assets the Association holds in trust for the delivery of future symposiums is \$15,827 (2018: \$15,827).

9. Supplemental cash flow information	_	2019	 2018
Change in non-cash operating working capital Receivables Prepaids Payables and accruals Deferred revenue Accrued benefits	\$	87,771 17,896 (40,463) 49,519 28,979	\$ (8,222) (20,062) (17,784) (133,313) (26,515)
	\$	143,702	\$ (205,896)

10. Interfund transfers

During the year \$445,529 was transferred from the Building Fund to the Capital Fund to pay construction costs. The remaining transfers from the operating fund to the capital fund relate to amounts needed for debt repayment net of any proceeds received on the disposal of capital assets.

11. Allocated expenses

It is the practice of the Association to allocate salaries, wages and benefits of the executive director, administrative assistant, accounting administrator and program managers to specific programs. This allocation is based on resource requirements on an individual program basis. Other administrative costs which are in support of all programs are allocated by a combination of the number of full time employees in each program and the total program revenue.

March 31, 2019

12. Economic dependence

The Association receives a significant portion of its funding from government. The ongoing operation of the Association is dependent on continuing to receive adequate levels of funding from government.

13. Risk management

In the normal course of operations, the Association is exposed to interest rate risk, and credit risk. The Association's primary risk management objective is to protect earnings and cash flow and ultimately program service longevity. Risks are managed within limits ultimately established by the Association's Board of Directors and implemented by senior management. These risks and actions taken to manage them are as follows:

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market interest rates. The Association is exposed to interest rate risk related to their investments in term deposits.

Credit risk

Credit risk arises from the possibility that a debtor is unable to discharge its obligations to the Association in a timely manner. The Association minimizes its risk through regular monitoring and follow up of its outstanding receivables.

Liquidity risk

The Association's liquidity risk represents the risk that the Association could encounter difficulty in meeting obligations associated with its financial liabilities. The Association is, therefore, exposed to liquidity risk with respect to its accounts payable and accrued benefits.

14. Commitments

At year end the Association has an outstanding contractual obligation with the Sooke Family Resource Society. These contracts relate to the Youth Services program where the Association is sub-contracting certain services required by the contract with the Ministry of Children and Family Development (MCFD). The contract with Sooke Family Resource Society has a term to March 2020 with total commitments of \$149,458.

March 31, 2019

16. Employee pension plan

The Association and certain of its employees contribute to the Municipal Pension Plan. The Plan is a multi-employer defined benefit plan. The British Columbia Pension Corporation administers the Plan, including the payment of pension benefits on behalf of employers and employees in accordance with the Public Sector Pension Plans Act and the Municipal Pension Plan Rules.

The risks and rewards associated with the Plan's unfunded liability or surplus are shared between the employers and the Plan's members and may be reflected in their future contributions. During the year the Association contributed \$77,712 (2018: \$83,435) on behalf of the employees.

Based on the most recent actuarial valuation as of December 2015, the Municipal Pension Plan is fully funded as of that date. Portions of any surplus or deficiency are not attributed to individual employers.

17. Victoria Foundation Fund

The Association established the Pacific Centre Family Services Fund, a Hosted Endowment Fund with the Victoria Foundation. The Association or others may make additional gifts to be held in perpetuity as capital of the Fund. Annual distributable returns of the Fund may be distributed as grants to registered charities or other qualified donees. The fair market value of the Fund at March 31, 2019 is \$40,763 (2018: \$43,346).

18. Remuneration

Under the British Columbia Societies Act a requirement to disclose the remuneration paid to all directors, the ten highest paid employees and all contractors who are paid at least \$75,000 annually.

During the year, the Society paid no remuneration to directors.

During the year, the Society paid \$172,873 (2018: \$83,021) in remuneration to two employees, whose remuneration, during the applicable period, was at least \$75,000.

19. Related parties

Pacific Centre Family Services Association and the Pacific Centre Family Services Association Foundation are related societies. The Foundation exists to support the work of the Association.

At year end included in accounts receivable the Association has a \$23,537 due from the Foundation for expenses paid on the Foundation's behalf. The amount is non-interest bearing and has no set repayment terms.
